## Contents

|                                      |          |
|--------------------------------------|----------|
| <b>Contents</b>                      | <b>1</b> |
| <b>1 Introduction</b>                | <b>1</b> |
| <b>Appendices</b>                    | <b>1</b> |
| <b>A This is the first appendix</b>  | <b>1</b> |
| <b>B This is the second appendix</b> | <b>1</b> |

## 1 Introduction

This document shows simple use of appendices, using the `appendix` package. This is still a normal section.

## Appendices

### A This is the first appendix

#### With a subsection

The appendices look like simple sections. . .

### B This is the second appendix

Here's a reference to Appendix A.
